CITIZEN'S CHARTER

The Citizen Charter aims to improve the services being offered to the public by CBSE. While giving an overview of the Board, it gives access to public regarding Board's services, procedures, time-schedule for availing the services, Board's mandate as well as Client's obligations along with grievance settlement mechanism etc. We are sure that the Charter will further help us in better delivery of services of the Board to its clients.

1. Overview of the organization

The Board has developed and expanded significantly from year 1929 (which was then named as the 'Board of High School and Intermediate Education, Rajputana') to reach to its present status. In year 1952, the Board was given its present name 'Central Board of Secondary Education'. It was in the year 1962 finally that the Board was reconstituted. The main objectives of the Board were to serve the educational institutions more effectively, to be responsive to the educational needs of those students whose parents were employed in the Central Government and had frequently transferable jobs.

The Board has grown at a rapid pace over the years and its present jurisdiction has stretches beyond the national geographical boundaries. From 309 schools in 1962, the Board as on 21.10.2019 has 22030 schools in India and 232 schools in 27 foreign countries. There are 1138 Kendriya Vidyalayas, 2727 Government/Aided Schools, 17553 Independent Schools, 598 Jawahar Novodaya Vidyalayas and 14 Central Tibetan Schools.

In order to execute its functions effectively, Regional Offices have been set up by the Board in different parts of the country to be more responsive to the affiliated schools. The Board has regional offices in Allahabad, Ajmer, Bhubaneshwar, Chennai, Dehradun, Delhi, Guwahati, Panchkula, Patna and Thiruvananthapuram. Schools located outside India are looked after by Regional Office Delhi. However, for the academic session 2019-2020, the Board will be having 16 Regional Offices i.e. in Prayagraj (Allahabad), Ajmer, Bhubaneshwar, Chennai, Dehradun, Guwahati, Panchkula, Patna, Thiruvananthapuram, Delhi East, Bengaluru, Bhopal, Chandigarh, Delhi West, Noida, Pune. Schools located outside India will be looked after by Regional Office Delhi East. Besides, CBSE has 17 Centres of Excellence located at Ajmer, Allahabad, Bengaluru, Bhopal, Bhubaneshwar, Chandigarh, Chennai, Dehradun, Delhi (East), Delhi (West), Guwahati, Kakinada, Noida, Panchkula, Patna, Pune and Thiruvananthapuram.

The CBSE headquarter constantly monitors the activities of the Regional Offices. Although, sufficient powers have been vested with the Regional Offices, issues involving policy matters are, however, referred to the Head office. Matters pertaining to day-to-day administration, liaison with schools, pre and post examination arrangements are all dealt with by the respective regional offices.

2. Vision & Mission

CBSE envisions a robust, vibrant and holistic school education that may engender excellence in every sphere of human endeavor. The Board is committed to provide quality education to promote intellectual, social and cultural vivacity among its learners. It works towards evolving a learning process and environment, which empowers the future citizens to become global leaders in the emerging knowledge society. The Board advocates and pledges to provide a stress-free learning environment that may develop competent, confident, and enterprising citizens who promote harmony and peace.

CBSE aims to facilitate learning for physical, emotional, social and intellectual wellbeing of students. The CBSE, a pace-setting National Board of School Education in the country, always aspires and endeavors to be a center of excellence for providing quality education by continuously working on the educational standards to meet the national and global needs through the process of affiliating schools and conducting examinations of classes X and XII as well as other exams as entrusted from time to time.

The Board focuses upon the following:

- Innovations in teaching-learning methodologies by devising students friendly and students centered paradigms
- Reforms in examinations and evaluation practices
- Skill learning by adding job-oriented and job-linked inputs
- Regularly updating the pedagogical skills of the teachers and administrators by conducting in service training programmes, workshops etc.
